Scheme for reliable media on rent of DOT

2366. SHRI N. GIRI PRASAD: Will the Minister of COMMUNICATIONS be pleased to state:

(a) the details of scheme by Telecom Department for reliable media on rent and guarantee basis alongwith other charges borne be the subscribers;

(b) the names and locations of such subscribers in Assam circle whom the said media has been provided alongwith respective dates of installation;

(c) the names and locations of applicants for said media in Assam circle with likely dates of its installation, applicant-wise; and

(d) the details of specific steps taken, if any, to improve the telephone services to large number of tea gardens within 50 kms. radius of Dibrugarh presently functioning very poorly and deteriorating day by day?

THE MINISTER OF STATE OF THE MINISTRY OF COMMUNICATIONS (SHRI SIT-H RAM): (a) For giving long distance connection on rent and guarantee basis, the rent is calculated on capital cost of the project.

(b) Details are furnished at Statement-I *(See* below).

(c) Details are furnished at Statement-II *(See* below). The Media will be provided subject to acceptance of the terms and conditions of R&G by subscriber, and availability of equipment.

(d) Tea Gardens are scattered over a vast geographical area. Connections are therefore provided on overhead alignment. Overhead alignments are prone to interruptions. It is therefore proposed to provide long distance connections on single channel VHF replacing the overhead alignment in a phased mannerto improve telecommunication services to the tea gardens near Dibrugarh.

Technology Project of C-DOT

2367. SHRI NILOTPAL BASU: Will the Minister of COMMUNICATIONS be pleased to state:

(a) what are the 5 main technology product development projects in hand in the transmission division of C-DOT; what are the main objectives, the financial, manpower and time budgets for each;

(b) when each was taken in hand, what is its present status and by when each will be ready for commercial field trial; and

(c) whether C-DOT has taken up development of suitable digital "wireless in local loop" system, and if so, the details thereof?

THE MINISTER OF STATE OF THE MINISTRY OF COMMUNICATIONS (SHRI SUKH RAM): (a) and (b) Details arc enclosed as Statement (See below)

(c) Yes Sir, C.DOT has taken up development of Wireless in Local Loop system based on Digital Europeon Cordless Telecommunication System (DECT).
